

PERSONAL STUDY PLAN (HOPS)

BACHELOR OF SOCIAL SCIENCES

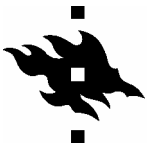

The Personal Study Plan (HOPS) is a compulsory study unit in the degree requirements for the Bachelor degree of Social Sciences. It is recommended to do the HOPS on the first year during the 2. and 3. period, when you have orientated yourself more to your studies. Plan your HOPS as detailed as you wish. You can complete or change your plans during your studies. You can discuss about your studies in major subject with your contact person at the department (teacher tutor). The Study Office of the Faculty will help you with the other studies. You can submit your HOPS to your teacher tutor at the appointed time. The Study Office of the Faculty takes care of the registration of the HOPS after the teacher tutor has submitted the HOPS to the Faculty.
